Permanent Work Authorization | No Visa Sponsorship Needed

Motivated and tech-savvy individual with a diverse background in sales, construction labor, and epoxy technician, I am excited to transition into the field of front-end web development. I have an Associate's degree in integrated studies, a certificate in accounting and small business management, and experience in communication and leadership from my two-year missionary service. I am skilled in HTML, CSS, React, and JavaScript and fluent in English, Portuguese, and Spanish. My strong work ethic and adaptability make me a valuable asset to any tech team. I am eager to bring my unique skill set to the industry and to continue learning and growing as a developer.
